L1	9	(60/600-603.ccls.) and "boost pressure" and "constant pressure" and ("ambient pressure" or "atmospheric pressure")	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/01/21 14:35
L2	14	(60/600-603.ccls.) and ("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure")	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	OFF	2005/01/21 14:37
L3	14	(60/600-603.ccls.) and ("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure")	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:53
L4	0	(60/600-603.ccls.) and ("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) near3 "constant pressure")	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:53
L5	10	(60/600-603.ccls.) and ("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and ( add or added or adding or addition or additional)	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:39
L6	7	("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) near3 "constant pressure")	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:54
L7	0	("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) same "constant pressure") and (wastegate or "waste gate") and throttle	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:57
L8	41	("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) same "constant pressure")	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:56

L9	0	("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) near10 "constant pressure") and (wastegate or "waste gate") and throttle	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:56
L10	7	("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) near10 "constant pressure") and (wastegate or "waste gate") and throttle	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:58
L11	11	("boost pressure" or "charge pressure" or "charging pressure") and "constant pressure" and ("ambient pressure" or "atmospheric pressure") and (( add or added or adding or addition or additional) same "constant pressure") and (wastegate or "waste gate") and throttle	US-PGPUB; USPAT; EPO; JPO; DERWENT; IBM_TDB	OR	ON	2005/01/21 14:57
